We met him on the road to Slovenia and passed the border together, had lunch then he disappeared in some couchsurfing experience. He left from Holland in september 2010 and want to join Beijing in 2 years, by bike, crossing middle-east. It was nice to meet you, you inspired us the purchase of a stove ;)

A french & german couple we met in Kiev's hostel. We wish them good luck for the horses in Mongolia

[Blandine et Michael](#)

A french couple, from Toulouse to Nouméa. We met them in Irkutsk and shared a Fondue Savoyarde ! Little taste of France...
